Dear Investor,

Endeavour Silver has the pleasure of inviting our investors, analysts and other members of the financial community to a very special investor day. The event will take place in Jalisco state, Mexico at our newest development, Terronera, to showcase project progress to date.

The event will be hosted by Dan Dickson, CEO, together with parts of management and technical teams, taking place November 19 - 21, 2023.

The event will provide insights into the company's growth strategy, financial development and goals, as well as a deep technical overview of Terronera. Investors will receive both a technical presentation and a guided site visit for a firsthand look at the construction progress and the surrounding communities. There will be ample time for Q&A with Endeavour's senior management team, evening dinner events and networking.

We sincerely hope you can attend and extend the warmest welcome for your participation.

Sincerely, Galina Meleger, VP of IR Endeavour Silver (NYSE:EXK | TSX:EDR)
